Sommerville, Ma. 02145

Dear Peter,

Words cannot be attached to the amount of appreciation that I and all of the members of the Red Sox administration have for your performance at our holiday Christmas party.

First of all your ability to show up on such short notice and still put on the fantastic show you performed shows not only a superior level of professionalism but also a personal standard of character that we at the Red Sox are proud to have as a part of anything we do. Secondly, the show was an outstanding success simultaneously entertaining children and adult alike. Your act was indeed a Grand Slam for the Red Sox.

On behalf of the Boston Red Sox administration, and all of the children, parents and staff of the Action for Boston's Community Development I sincerely thank you. Rest assured that for any future events we may hold where magical entertainment is needed, your name will be first on the list.

Thanks again.
