Dear Peter Gross,

Thank you so much for your hilarious and entertaining show at Manchester Community College. The show was upbeat, entertaining and inclusive. This event was a great way to release stress before finals and *literally* clear our minds! Not only did your “VIP” students have a wonderful time but also the audience could not stop laughing during and after the show.

We greatly appreciate your kindness and professionalism. After the show, many students expressed how they needed this time to laugh and just enjoy their time on campus. There are several students who still talk about being hypnotized and wanting to do it all over again! I am so honored to have worked with you and hope to do so again at our future events.

I hope you have a ~~great and safe holiday season and a happy~~ New Years!

Best,

Tiffany Minakhom
