Peter Gross,

Thank you so much for your participation in Bryant's Parents and Family Weekend 2009.

The enthusiastic laughter and applause was all we needed to hear to know your show was the perfect fit for our diverse audience - Your show truly appeals to all ages. We also both loved how you got the audience on stage and involved. Your show complemented to our circus theme and set a fun tone for the whole weekend.

Thank you so much for helping us put one of the best Parents & Family Weekend yet!

Thanks again,

Stephanie Kirk & Deidre Fraser
